

I am not sure how to express how much KLOVE is very valuable to both my family and our community. My husband and I are young parents. We have made many mistakes before being saved. Secular music was all we knew. When I found KLOVE I was amazed at how much it helped me in my walk. It is now all we listen to. My four year old can sing most songs. I also need you to know how encouraging it is in the morning. I frantically get myself and my children ready for the day. When I get in the car and hear KLOVE it focuses my attention to the Lord. I also can tell you I personally know someone who listened to KLOVE and gave his life to the God. I don't think I have to say what would happen to him if not for KLOVE.
